Treize Wins Top Honors as S. P. Keeps Track Title

High-point honors in the Marine League track and field finals at Narbonne high school last Friday went to Cliff Treize, Torrance barrier-leaper and stick jumper, who captured both hurdles and placed second in the high jump.

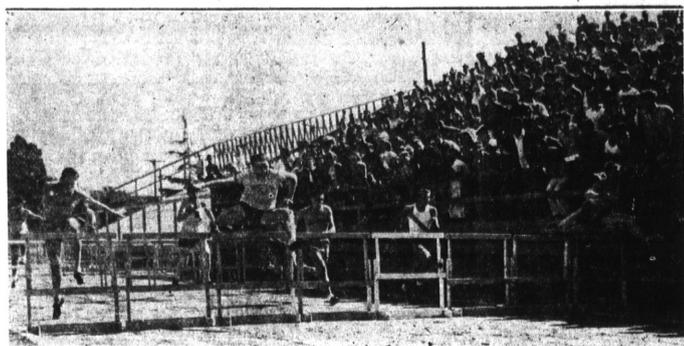

Three league records were shattered as San Pedro swept all three classifications, easily retaining its Marine title in the varsity division. In beating Bob Patrick of Narbonne in the broad jump, Harry Stine, Banning, was forced to set a new mark. He did 22ft. 10in., as compared to Bill Stewart's standard of 21ft. 10 1/2 in., which the former Tartar hung up last year.

Diek Frey, another Banning star, tossed the shot 50ft. 9 1/2 in. to better the old mark by a foot and Jack Hollar, Narbonne husky, also bettered the record with a heave of 50ft. 3in.

Bill Parton of Torrance was a three-time winner in the Class B meet. He triumphed in both hurdles after winning the broad jump earlier in the week.

Champions Will Compete June 7 in Compton Invitational Track Meet

Champions from all sections of the United States will compete in the Compton Invitational track and field meet Friday night, June 7. The Compton classic looms as the greatest meet in the West and far better than any previous runnings of the event. World records will be threatened in five events with international figures expected to be topped in at least two of them. For the first time in the history of the classic, two women's Olympic events will be on the program, the 50-meter dash and the 80-meter low hurdles.

The parade of champions, who will appear in the Compton Invitational, include: Earle Meadows, co-holder of the world pole vault

record, at 14 feet 11 inches; Cornelius Warmerdam of the San Francisco Olympic Club, the first man in history to clear 15 feet; Joe Batiste of Tucson (Arizona) high school, 1939 American high hurdle champion; John Woodruff of Pittsburgh, world half-mile champion; Paul Moore of Stanford, champion distance runner of the West; Cornelius Johnson, holder of the world high jump record at 6 feet 9 1/2 inches.

These six athletes are only a few of the champions that will appear in the Compton classic. Two former Torrance high school athletes may compete. John Hall is scheduled to run the 1,500 meter race, representing S.C.A.A., and Bill Stewart may enter the high jump event as another S.C.A.A. contender.

Robert Lewellen of The Herald staff, a member of the publicity committee for the Compton classic, has a supply of tickets available for local track fans.

Billy Dillon, former Narbonne star and now a Notre Dame trackster, is expected from South Bend, Ind., to compete in the hurdles.
